

## BOARD AGREEMENT

Our board is committed to attaining financial sustainability. We have adopted the Benevon Model. Over the next year, I agree to (check as many as you like):

- 1. Attend our \_\_\_\_\_ in the Benevon Model once a year.
- 2. Be an Ambassador: Host and fill a private Point of Entry for ten or more guests.
- 3. Attend our \_\_\_\_\_.
- 4. Be a Table Captain at our \_\_\_\_\_ and fill a table of ten. At least half of my guests will have attended a prior \_\_\_\_\_.
- 5. Make thank-you calls to donors.
- 6. Attend at least one donor cultivation event as board representative.

I understand that our board has committed to 100% board giving so that we can tell other funders and supporters in our community that 100% of our board gives. Therefore, I further agree to:

- 7. Make a financial contribution (usually required)
